

Prof. Gary Hamel

The World's Most Profound Business Thinker

CSA CELEBRITY SPEAKERS

Gary Hamel is one of the world's most influential and iconoclastic business thinkers. He has worked with leading companies across the globe. He has been on the faculty of the London Business School for more than 30 years and is the Director of the Management Innovation Lab.

"A management innovator without peer" Financial Times

In detail

Fortune magazine describes Hamel as "the world's leading expert on business strategy," and the Financial Times calls him a "management innovator without peer." Hamel has been ranked by The Wall Street Journal as the world's most influential business thinker and is a fellow of the Strategic Management Society and of the World Economic Forum. Hamel's groundbreaking concepts such as "strategic intent," "core competence," "industry revolution," and "management innovation," have changed the language and practice of management in organizations around the globe.

What he offers you

Prof. Hamel has led transformational efforts in some of the world's most notable companies and has helped to create billions of dollars in shareholder value. His pioneering concepts have changed the practice of management in companies around the world. Prof. Hamel is one of the world's most sought-after management speakers, providing fresh thinking, deep insights and powerful advice on the toughest, most important issues in business.
